CLAIMS COMMAND MOBILE: FLOOD CLAIMS EVOLVED.

LEADING THE WAY IN FLOOD CLAIMS TECHNOLOGY

Mobile Claims: Streamlined

Experience the power of Claims Command Mobile, designed to simplify flood claims handling.

- **Mobile-First Design:** Access information and tasks anytime, anywhere.
- **Intuitive Workflow:** Guided processes for every claims stage.
- **Real-Time Data & Analytics:** Up-to-the-minute insights for informed decisions.
- **Enhanced Collaboration:** Seamless communication with all stakeholders.

Efficiency & Empowerment

Claims Command Mobile empowers adjusters with:

- **Increased Efficiency:** Process more claims with greater speed and accuracy.
- **Reduced Administrative Burden:** Simplify data entry and minimize paperwork.
- **Proactive Capabilities:** Stay ahead of potential flood events.
- **Improved Coordination:** Streamline communication among adjusters, field teams, and other stakeholders.

The Future of Flood Adjusting

Experience innovation with Claims Command Mobile.

- **Next-Generation Flood Claim Management:** Enhancing every state from field inspection to final review.
- **Advanced Imaging:** Document damage accurately with high-resolution media.
- **AI-Powered Tools:** Automate tasks and improve claim accuracy.
- **System Integration:** Integrate seamlessly with your existing platforms.

DESIGNED BY FLOOD ADJUSTERS, FOR FLOOD ADJUSTERS.
